Celebration Weekend

Everyone who has been to Black Forest Camp and Conference Center has a favorite memory or story to tell. For those who attended camp over the past 55 years, BFCCC is often a key place in their spiritual journey.

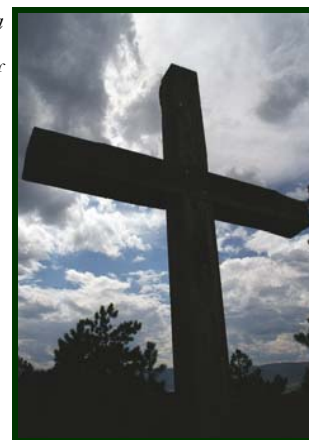

BFCCC has also hosted uncountable retreats, family reunions, and even a few baptisms.

You are invited to share in a celebration of the 55 years of ministry at BFCCC.

Whether your connection goes back decades or a few weeks, you are invited to be a part of the celebration of this great ministry.

If you cannot join us for the whole weekend, make sure that you are here for at least part of the weekend.

Black Forest Camp and Conference Center

BFCCC is known for great views of Pikes Peak and the Air Force Academy and the secluded feeling once you drive through the gates.

What has made BFCCC a special place over the past 55 years, however, is the people. From the visionary leaders who saw the potential in an old

fox farm to the pastors, nurses and other staff, volunteers have made camping happen at Black Forest for 55 years.

The celebration this weekend is a celebration of these people. You are probably one of the people who made the ministry at BFCCC happen over the years.

THANK YOU!

This is your celebration.

A Look Back

In 1949, laymen from Colorado purchased the Black Forest Fox Farm and new ministry known as the Black Forest Baptist Assembly of Colorado was born. The first camp was held July 23, 1950 with 250 campers. That first summer, 653 campers attended camp at the new Black Forest Baptist Assembly.

In 1985, the Conference Center and restructured Dining Hall were opened. This enabled Black Forest Camp to expand its ministry.

Over the years, Black Forest has ministered to thousands of campers. Over the years, many of these campers accepted Christ as their savior, recommitted their lives to

God, heard the call to ministry or met their future spouse.

and campers over the years are just as numerous. Pastors and coordinators came from churches from across our Region. Young adults were able to "give back" as they

moved from campers to counselors and coordinators. Join us September 9-11, 2005 as we celebrate 55 years of ministry at Black Forest Camp and Conference Center.
